GROWTH OF TREE SHOWN BY ROPE IN THE WOOD

A curio of more than passing interest was brought to this office yesterday morning by Ed Verbitz, says the Carson News. An old tree was being cut down and turned into firewood near the James Verbitz office. In splitting a block a piece of rope was found imbedded in the wood some nine or ten inches from the outside. The rope had been tied around the tree when it had a diameter of about nine inches and the tree had grown a foot around it. The rope is in a good state of preservation and shows no effect of the long time imbedded in its wooden coffin.

If it's of exceptional value at the price, it's sure to be advertised in the Bonanza, else the merchant would be hopelessly unprogressive.

Stopped Night Sweats and Banished Coughs

If you are suffering with a cough, cold, or long trouble which does not yield to any treatment, it might be of the greatest value to you to investigate what Eckman's Alternative, a medicine for the Throat and Lungs, has accomplished for many similar sufferers. Many who have investigated and used it have voluntarily declared that it was the means of saving their lives. Read this case: "Dear Sir: Four years I was troubled with cough, which gradually became worse. I had night sweats and pains in my chest. I was losing weight and had become so thin and weak I could not attend to my household duties. A physician pronounced my disease consumption. Not being satisfied, I was examined by the physicians of the Polytechnic hospital. They advised me to go to the hospital and I was ordered away for treatment. My nephew would not allow me to go until I had tried Eckman's Alternative. Before I had taken the medicine three weeks I had marked relief, cough became loose and easy, fever left me and I commenced getting well. My health became normal. I am in excellent health now and have been for twelve years. I strongly recommend it." (Signed) (MRS.) MARY WARRSON, Care Ed Green, 1725 S. 17th St., Philadelphia, Pa. (Above abbreviated; more on request.)

Eckman's Alternative has been proven by many years' test to be most efficacious in cases of severe throat and lung affections, bronchitis, bronchial asthma, whooping cough, and in rebuilding the system. Does not contain narcotic poisons, or habit-forming drugs. For sale by leading druggists. Write the Eckman Laboratory, Philadelphia, Pa., for booklet telling of recoveries and additional evidence.

AMUSEMENTS

Butler Theater.

Another interesting program of pictures will be shown this evening at the Butler, as follows: A Latin split reel, showing two comedies—"On the Bomb-water" and "Her Wooden Leg"; a Vitaphone feature, "The Passing of Joe Mary," and a Kalem

two-reel special entitled "The Sacrifice at the Spillway." Suspense is carried through this story of a devoted woman's unselfishness. The turn of a lover in the spillway goes between happiness and misery for these two. It turns the right way. A human story with a rattling climax. Tomorrow, "The Counterfeit's Confession."—Adv.
